BURDEN HOURS

Category of Respondent	No. of Respondents	Participati on Time	Burden
Inspected Registered Entities	264	.17 hour	44 hours

Totals	264	.17 hour	44 hours
---------------	-----	----------	----------

FEDERAL COST: The estimated annual cost to the Federal government is \$42.45 using the pay scale of GS-13 compiling the data in one hour. The basis of the estimate was obtained from the GS-13 who performed the task of compiling the data from the electronic survey tool. It should be noted that not all 264 entities will be submitting the information at the same time. The survey will be sent to each entity after that they are inspected. The information is collected via electronic survey tool throughout the year that provides summary information. The survey tool will maintain the data. At the end of the year, it will take the GS-13 one hour to compile the data.

If you are conducting a focus group, survey, or plan to employ statistical methods, please provide answers to the following questions:

The selection of your targeted respondents

1. Do you have a customer list or something similar that defines the universe of potential respondents and do you have a sampling plan for selecting from this universe?
