

Request for Approval under the “Generic Clearance for the Collection of Routine Customer Feedback” (OMB Control Number: 0920-1050)

TITLE OF INFORMATION COLLECTION: Emergency Partners Information Connection (EPIC) Partner Interaction

PURPOSE: EPIC maintains relationships with partner organizations to aid in the dissemination of information during a public health emergency. These partnerships also provide insights into potential gaps in CDC’s communication strategies and information products. Connecting with partners allows CDC to be better prepared to meet information needs during a public health emergency and helps EPIC stay abreast of changes at the organizations that could affect their ability to disseminate information about public health emergencies.

DESCRIPTION OF RESPONDENTS: Respondents are representatives from EPIC partner organizations, such as National VOAD, the National Public Health Information Coalition, and the Corporation for National Service. EPIC partners can be non-profit organization, trade organizations, private groups, and government groups. They are chosen based on their ability to help CDC disseminate information to at-risk populations during public health emergencies. Respondents will be contacted via telephone call, email or web meeting.
