Form Approved
 OMB No. 0920- 1050
 Exp. Date: 06/30/2019

Thank you for attending the 2018 Place & Health Conference on October 16th, 2018! This event, hosted by the Geography and Geospatial Science Working Group, is a chance to learn about and celebrate the geospatial knowledge and techniques used by groups from around CDC and the Atlanta area. Please help us make this event better by completing this short survey.

CDC estimates the average public reporting burden for this collection of information as 5 minutes per response, including the time for reviewing instructions, searching existing data/information sources, gathering and maintaining the data/information needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-1050).
