Subject: Feedback? 2018 Place & Health Conference

Thank you for joining us for the 2018 Place & Health Conference! If you would like to revisit any of the excellent presentations from our event, we have made slides [available here](#).

Although we've just wrapped up this year's conference, we are already looking towards 2019. Please consider taking a few minutes to take [this short survey](#) to provide feedback about the event and share ideas for future Place & Health Conferences.

We look forward to seeing you next year!
