

## SUMMER INTERNSHIP PROGRAM

OMB No. 0925-0299  
Expiration Date 03/31/2014  
[Respondent Burden](#)

### PROGRAM APPLICATION

**Instructions:** Before you begin, you may want to review some [helpful hints](#) on using this electronic form and our [privacy statement](#).

#### Eligibility Criteria:

1. Candidates must be sixteen years of age or older at the time they begin work at the NIH.
2. Candidates must be U.S. citizens or permanent residents.
3. U.S. citizens are eligible to apply if they are enrolled at least half-time in high school or in an accredited college or university as an undergraduate, graduate, or professional student. Students who have been accepted into an accredited college or university program may also apply.
4. Permanent residents must be enrolled in or have been accepted into an accredited institution **in the U.S.** to be eligible.

#### Application Tips:

This form allows you to save a partially completed application. To take advantage of this feature:

- Enter as much information into the form as you would like. Note that you must complete certain fields--Name, E-mail Address, Month/Day of Birth, and, Phone--in order to save a partial application.
- Press "Save Partial Application & Quit" to save the information you have entered thus far. You will have to return later to complete your application.
- When you first submit your partial application, you will receive an e-mail message containing instructions for accessing the online tool that allows you to review, modify, and complete your application.

Only **completed** applications are available for review by NIH investigators and administrators; partial applications are **not** accessible by NIH investigators. Once you complete your application, press "Preview Completed Application." You will be taken to a page displaying the information you have provided. **To submit your completed application, you must select the "Save" button on the Preview page.**

**IMPORTANT NOTE:** The deadline for receipt of completed applications is **March 1, 2013** (11:59 p.m., Eastern Standard Time). Applications that are incomplete after the March 1 deadline will not receive further consideration.

1. Please read the "[Summer Internship Program page](#)" and "[SIP Frequently Asked Questions](#)" before beginning your online application.
2. Be sure that the e-mail addresses you provide for your references are accurate. Incorrect e-mail addresses will delay the processing of your application and could result in your application's not receiving full consideration.
3. Please note that this form accepts **plain text** inputs only. This means that special characters and formatting such as bullets, "smart quotes," bold or italic fonts, Greek letters, etc., will be lost or altered. To ensure your data appear as you intend, compose your inputs to the longer fields on this form using a plain text editor (e.g., Notepad, for PC users, or TextEdit, for Mac users). In place of special formatting, you will need to rely on the use of capital letters, white space, asterisks, and other standard keyboard characters.
4. Proofread your application thoroughly for accuracy and completeness; false or inaccurate information may be grounds for denying

your candidacy or removing you from the program.

5. Complete your application as early as possible and ensure that your references submit their letters promptly using our online system.
6. Letters of recommendation are due no later than **March 15, 2013**, at 11:30 pm EDT. We will not accept letters after that time.
7. Please address questions to Debbie Cohen at [cohend@mail.nih.gov](mailto:cohend@mail.nih.gov).

## PRIVACY ACT NOTIFICATION STATEMENT

### MESSAGE

[Back to Previous Page](#)

The primary use of information collected via the Office of Intramural Training and Education (OITE) online forms is to evaluate an applicant's qualifications for research training at the National Institutes of Health (NIH). Information may be used during admission consideration; in preparing appointment paperwork; and to provide data for training program evaluation. Information will be disclosed to investigators, members of advisory committees, OITE staff, and contractors working on our behalf. Additional disclosures may be made to law enforcement agencies concerning violations of law or regulation. Application for this program is voluntary; however, in order for the OITE to process an application, the applicant must complete the required fields.

The legal authority granted to NIH to train future biomedical scientists comes from several sources. Title 42 of the U.S. Code, Sections 241 and 282(b)(13) authorize the Director, NIH, to conduct and support research training for which fellowship support is not provided under Part 487 of the Public Health Service (PHS) Act (i.e., National Research Service Awards), and that is not residency training of physicians or other health professionals. Sections 405(b)(1)(C) of the PHS Act and 42 U.S.C. Sections 284(b)(1)(C) and 285-287 grant this same authority to the Director of each of the Institutes/Centers at NIH.
