Below is the recommendation form for the NIH Visit Week. NIH Visit Week is designed to bring Native American students to the Bethesda campus to learn about resources and training opportunities at the National Institutes of Health. Your letter of recommendation will carry significant weight in the selection process. Please comment on this student's academic strengths, interest in biomedical research, and why you think the student would be a good candidate to attend the NIH Visit Week. Your recommendation letter is due by March 15, 2015.
