

SAMHSA LETTERHEAD

MONTH DAY, 2014

Dear Director of Mental Health Program(s):

I am writing to express my personal appreciation for your facility's participation in the 2014 National Mental Health Services Survey (N-MHSS).

Your participation helps assure that the results of the 2014 survey will be complete and accurate. The information you provided helps SAMHSA and other Federal agencies assess the current condition of mental health treatment and services, as well as identify unmet facility and client needs in the United States. We are especially appreciative of your support at a time when we know funding and staff cutbacks have made the task of responding more difficult for some facilities.

Thank you again, and I hope we can count on your continued participation in the future.

Sincerely,

Peter J. Delany, Ph.D., LCSW-C  
RADM, U.S. Public Health Service  
Assistant Surgeon General
