APPENDIX A PBHCI GRANTEE DIRECTOR SURVEY

OMB No. XXXXX-xxx Expiration Date: xx/xx/20xx

Primary and Behavioral Health Care Integration (PBHCI) Evaluation

DIRECTOR SURVEY

(DRAFT)

ALL

Intro1. This questionnaire is part of the Primary and Behavioral Health Care Integration (PBHCI) Evaluation, a national evaluation being conducted for the Substance Abuse and Mental Health Services Administration (SAMHSA) by Mathematica Policy Research. The questionnaire asks about your role and responsibilities, client services and staff, providing care, experiences integrating care, and other initiatives in your state or community.

ALL

Intro2. We want you to know that:

This survey is voluntary, but your response is critical for producing valid and reliable data. You may skip any questions you do not wish to answer; however, we hope that you answer as many questions as you can. Your answers to questions will not affect your job or any hiring decisions now or in the future and will only be shared with the Mathematica study team. Participation in the director survey will not impose any risks to you as a respondent.

SAMHSA is committed to protecting the privacy of individuals who participate in surveys. All information you provide will be kept strictly confidential and used for research purposes only. Your answers will be combined with other surveys, and no information identifying individual directors or grantees will be released.

If you have any questions about your rights as a research volunteer, contact [NAME] at New England IRB, toll free at 1-800-232-9570.

Thank you for your help with this survey.

ALL Intro3. Public Burden Statement: An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this project is 0930-0xxx. Public reporting burden for this collection of information is estimated to average 30 minutes per respondent, per year, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to SAMHSA Reports Clearance Officer, 5600 Fishers Lane, Room 15E57-B, Rockville, Maryland, 20857. [GLOBAL SOFT CHECK: IF ANY RESPONSE = BLANK: Please provide an answer to this question or click Continue.]
