Health Coverage Cost and Payment Options

We are studying ways to meet people's health care needs, and would like your thoughts about what things you would like in your benefits package.

People pay for their health care services in different ways. Some people pay monthly contributions, some people pay copays, and some people pay both. Copays are payments you make at the time you visit your doctor's office, go to the hospital, or get prescription drugs.

49.	If yo	u could choose how to pay for your health care services, what would you choose?
