A. Overview of Information Collection

Title of Information Collection: Public Housing Reform Act: Changes to Admission and Occupancy Requirements.

OMB Approval Number: 2577-0230.

Type of Request: Revision of currently approved collection.

Form Number: None.

Description of the need for the information and proposed use: The purpose of this information collection submission is to implement the requirement that public housing agencies have available upon request, their respective admission and occupancy policies for both the public and the Department of Housing and Urban Development. Public Housing Authorities must have on hand and available for inspection policies related to admission and continued occupancy, so as to respond to inquiries from tenants, legal-aid services, HUD, and other interested parties informally or through the Freedom of Information Act. Written documentation of policies relating to Public Housing and Section 8 Assistance Programs implemented under the Quality Housing and Work Responsibility Act of 1998, such as eligibility for admission and continued occupancy, local preferences, and rent determination, must be maintained and made available by Public Housing Authorities.

The collection of information implements changes to the admission and occupancy Requirements for the Public Housing and Section 8 Assisted Housing Programs made by the Quality Housing and Work Responsibility (QHWRA) Act 1998, (Title V of the FY 1999 HUD appropriations Act, Public Law 105-276, 112 Stat. 2518, approved October 21, 1998), which amended the United States Housing Act of 1937. QHWRA made comprehensive changes to HUD's Public Housing Section 8 Programs. Some of the changes made by the 1998 Act (i.e., QHWRA) affect public housing only and others affect the Section 8 and Public Housing Programs.
