

Reporting Template Experiment 6: Reducing Unsubsidized Direct Loan Eligibility

1. For the entire Reduced Unsubsidized Loan Eligibility Experiment (Exp #6) you conducted over the past award year, please provide a narrative description of your school's experiences implementing the experiment. Did reducing unsubsidized Direct Loan eligibility cost or save the taxpayer money? If so, how?

open ended text

2. How many different student groups does your school target for Reduced Unsubsidized Loan Eligibility?

Number

3. Provide a description for *each* of these criteria.

Title	Open Ended Text
Description	Open Ended Text
Program Level	UNDERGRADUATE / GRADUATE
Year(s)	[1, 2, 3, 4 or more]

4. Target Group data
