Certifications

- I certify that, if required by program rules, the entity(ies) receiving discounted services as indicated on this FCC Form 486 are covered by technology plan(s) that have been approved by a state or other authorized body (i.e., a USAC-certified technology plan approver) prior to the commencement of service and that cover all 12 months of the funding year. Provide the name(s) of the organization(s) that approved a technology plan for any eligible entity that is receiving services covered under this FCC Form 486 or, if EVERY FRN listed in this FCC Form 486 is for services that do not require a technology plan, enter "NONE" here.
- I certify that the services listed on this FCC Form 486 have been, are planned to be, or are being provided to all or some of the eligible entities identified in the FCC Form 471 application(s) cited above. I certify that there are signed contracts covering all of the services listed on this FCC Form 486 except for those services provided under tariff or on a month-to-month basis. I certify that I am authorized to submit this receipt of service confirmation on behalf of the above-named Billed Entity, that I have examined this request; and that, to the best of my knowledge, information, and belief, all statements of fact contained herein are true.
- I understand that the discount level used for shared services is conditional, for future years, upon ensuring that the most disadvantaged schools and libraries that are treated as sharing in the services receive an appropriate share of benefits from those services. I recognize that I may be audited pursuant to this application and will retain for five years (or whatever retention period is required by the rules in effect at the time of this certification) any and all records, including FCC Forms 479 where required, and, if audited, will make such records available to the Administrator.
