To secure the Notes or any indemnity or other agreement required by the Government, the President and the Secretary are hereby authorized to execute a real estate security instrument giving a lien upon the Housing and upon such other real property of the Corporation as the Government shall require, including an assignment of the rents, subsidies, revenues and profits as collateral security to be enforced in the event of any default by the Corporation, and containing other terms and conditions prescribed by the Government. 5. Borrower Equity Contribution. The amount of \$ \_\_\_\_\_ was contributed from the Corporation's own funds for the land purchase or development.

6. Accounts for Housing Operations and Loan Servicing. The Corporation shall establish on its books the following accounts, which shall be maintained so long as the Loan Obligations remain unsatisfied: a General Operating Account, a Tenant Security Deposit Account and a Reserve Account.

a. General Operating Account. By the time the Government Loans are closed or interim construction funds are obtained, whichever occurs first, the Corporation shall deposit cash from the Corporation's own funds in an amount totaling \$ \_\_\_\_\_ consisting of the individual amounts listed in the loan resolutions being consolidated. Use of deposited cash will be in accordance with 7 CFR part 3560 or any successor regulation.

b. Reserve Account. Transfers at a rate not less than \$ \_\_\_\_\_ annually, shall be made to the Reserve Account until the amount in the Reserve Account reaches the minimum sum of \$ \_\_\_\_\_ or such higher amount later agreed to by the Government. Restoration of disbursed funds shall be made on a schedule approved by the Government. Withdrawal and use of funds deposited to this account will be in accordance with 7 CFR part 3560 or any successor regulation. With prior consent of the Government, funds in the Reserve Account may be used by the Partnership for any purpose including paying a dividend up to 8 percent per annum of the Borrower's initial investment of \$ \_\_\_\_\_

7. Regulatory Covenants. So long as the Loan Obligations remain unsatisfied, the Corporation shall comply with all appropriate regulations of the Government and shall:

b. Establish and maintain complete books and records relating to the Housing's financial affairs, cause such books and records to be audited at the end of each fiscal year, promptly furnish the Government without request a copy of each audit report, and permit the Government or its representative to inspect such books and records at all reasonable times.

c. If required or permitted by the Government, revise the accounts herein provided for, or establish new accounts, to cover handling and disposition of income from and payment of expenses attributable to the Housing or to any other property securing the Loan Obligations, and submit regular and special reports concerning the Housing or financial affairs.

d. Unless the Government gives prior consent:

1) Not use the Housing for any purpose other than as rental housing and related facilities for eligible occupants.

2) Not enter into any contract or agreement for improvements or extensions to the Housing or other property securing the Loan Obligations.

3) Not cause or permit voluntary dissolution of the Corporation nor merge or consolidate with any other organization, nor cause or permit any transfer or encumbrances of title to the Housing or any part thereof or interest therein, by sale, mortgage, lease, or otherwise.

4) Not cause or permit the issuing or transferring of stock, borrowing of any money, or incurring of any liability aside from current expenses as defined in section 7 which would have a detrimental effect on Housing.

e. Submit the reports required by 7 CFR part 3560 or any successor regulation to the Government for prior review.

f. Comply with all its agreements and obligations in or under the Note, security instrument, and any related agreement executed by the Corporation in connection with the Loans.

h. Take other action as may be required by the Government in connection with the operation of the Housing, or with any of the Corporation's operations or affairs which may affect the Housing, the Loan Obligations, or the security.

i. If the return on investment for any year exceeds 8 percent annum of Borrower's initial investment of

\$ \_\_\_\_\_, the Government may require that the borrower reduce rents the following year, refund the excess return on the investment to the tenants, or use said excess in a manner that will best benefit the tenants.

## 8. General Provisions.

a. It is understood and agreed by the Corporation that any Loans made or insured will be administered subject to the limitations of the authorizing act of Congress and related regulations, and that any rights granted to the Government herein or elsewhere may be exercised by it in its sole discretion.

b. The provisions of this resolution are representations to the Government, to induce the Government, to consolidate the loan resolutions of the Corporation. If the Corporation should fail to comply with or perform any provision of this resolution or any requirement made by the Government pursuant to this resolution, such failure shall constitute default as fully as default in payment of amounts due on the Loan Obligations. In the event of such failure, the Government at its option may require specific performance or declare the entire amount of the Loan Obligations immediately due and payable and, if such entire amount is not paid forthwith, may take possession of and operate the Housing and proceed to foreclose its security and enforce all other available remedies or take such other actions as it deems reasonable.

c. Any provisions of this resolution may be waived by the Government in its sole discretion to any extent such provisions could have been foregone in amended form initially.

d. Any notice, consent, approval, waiver or agreement must be in writing.
