HealthierUS School Challenge
Recognizing Excellence in Nutrition and Physical Activity

General Information

Public reporting burden for this collection of information is estimated to average 2 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. **An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.** Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: U.S. Department of Agriculture, Food and Nutrition Service, Office of Research and Analysis, Room 1014, Alexandria, VA 22302 ATTN: PRA (0584 - 0524). Do not return the completed form to this address.

Tips for Completing Application:

1. You can submit your application two ways:
 - a. Submit the application and supporting documentation in a 3-ring binder to your State Child Nutrition Agency.
 - b. Submit the application and supporting documentation electronically to hussc@ars.usda.gov.
2. When more space is needed to accommodate for additional days of the week or to provide more information, schools and residential child care institutions (RCCI's) can attach additional pages as needed.
3. Multiple schools can apply under the same district application when all of the following apply:
 - a. The same nutrition education, physical education, and physical activities are provided or offered (according to the grade level).
 - b. The same Smart Snacks foods and beverages were sold throughout the cafeteria and/or school campus. Submit:
 - i. One Smart Snacks Worksheet with a listing of foods available and
 - ii. One set of supporting documentation.
 - c. Each individual school follows the district's wellness policy.

In addition, each school must submit a Smarter Lunchroom Self-Assessment Score Card, an individual School Wellness Policy Worksheet (if applicable) and complete the Other Criteria for Excellence Checklist, which are both included in the online application. If a district finds that their schools have the same menu with corresponding foods served, but has different nutrition education, physical education, physical activities, Smart Snacks, or wellness policies, they can still apply as a district, but must make note of those items that differ among the schools and submit additional documentation for those schools with the district application.

Each District should submit an Application Cover Sheet reflecting the name of the District with a completed District School List form, Smart Snacks Worksheet that includes a la carte information and vended items (unless they are the same throughout the district), Smarter Lunchroom Self-Assessment Score Card, Nutrition Education and Physical Education/Activity Worksheets, School Wellness Policy Worksheet, a copy of each school's wellness policy (unless it is a district wellness policy), and Other Criteria for Excellence Checklist.

Smart Snacks Worksheet

All Award Levels: Must meet *Smart Snacks in School Nutrition Standards*. All foods and beverages sold to students during the school day* meet or exceed the USDA's nutrition standards for all foods and beverages sold to students (commonly called Smart Snacks in School). This includes a la carte, vending, school stores, snack or food carts and any food-based fundraising (school follows fundraising exemptions and guidance set by their State agency, which also must adhere to the federal Smart Snacks in School requirements).

Use the Smart Snacks Calculator to analyze foods and beverages sold to students during the school day (<http://healthymeals.nal.usda.gov/smartsnacks>). Provide a copy of calculator results, along with product nutrition facts labels and ingredient statements with the HUSSC application.

Additional Smart Snacks Criteria

Bronze and Silver

Meet Smart Snacks criteria as defined in 7 CFR Parts 210 and 220.

The school offers training on Smart Snacks criteria annually to all individuals who are involved in the sale of foods to students on the school campus during the school day. Use the space provided below to briefly describe the training that is offered.

The school does not advertise or market foods and beverages that do not meet Smart Snacks criteria to students (e.g., signs and marketing materials promoting these foods are not visible to students on the school campus during the school day). Documentation of meeting these criteria includes evidence of a written policy and/or writing communication/training for school staff and parent organizations. Describe below how the school meets these criteria and provide documentation with HUSSC application.

Gold

Meets criteria for Bronze/Silver and

The school only permits food-related fundraisers that meet USDA's Smart Snacks standards, even if the State allows exemptions. Provide a brief statement to explain how the school meets these criteria with a list of food-related fundraisers and product labels and ingredient statements (if applicable).

If foods and beverages are sold to students on the school campus at events outside of the school day (e.g., sporting events, after-school activities, award ceremonies), then water, fruits, and/or vegetables are also offered and promoted as options. Documentation of meeting these criteria includes a written school policy and/or instructions for those that sell foods to students on the school campus. Provide a brief statement below and a copy of this documentation and/or instructions with the HUSSC application as evidence that the school is meeting the criteria.

Gold Award of Distinction

Meets Gold criteria and

The majority (greater than 50%) of school-sponsored fundraising events conducted outside of the school day includes only non-food items or only foods and beverages that meet or exceed USDA's Smart Snacks in School nutrition standards. Documentation includes list of school-sponsored fundraisers during the past year and written policy or guidance. Submit documentation with HUSSC application.
