SECTION ONE: WHAT DO YOU EAT?

The questions in this section ask about the food you ate over the past week.

Please think about what you ate during the past week, while you were at school, and while you were not at school. Not at school includes all of the rest of the time, for example, when you are at home, at a friend's house, or at a restaurant. You are going to mark the column that shows, on average, how many times you ate the food at school and not at school. If you did not eat this food or drink this beverage during the past week, please mark "never or less than 1 per week."
