

Privacy Act Statement

The collection of your personal information for this U.S. Census Bureau survey is authorized under 13 U.S.C. section 182.

The purpose of collecting this information is for survey methodology research. Personally identifiable information, such as name, gender, date of birth, education, race, ethnicity, vision health, fingertip size, finger breadth, time period of using a smartphone, video and audio recording during the data collection session, may be collected.

Disclosure of this information is permitted under the Privacy Act of 1974 (5 U.S.C. Section 552a) to be shared among Census Bureau staff for work-related purposes. Disclosure of this information is also subject to all of the published routine uses as identified in the Privacy Act System of Records Notice COMMERCE/Census-3, Special Censuses, Surveys, and Other Studies.

Providing this information is voluntary. Failure to provide this information may affect the Census Bureau's research ability for its mobile survey operations.
