

Confidentiality Message Sheet English Statements

1. The U.S. Census Bureau is required by law to protect your information.
2. The U.S. Census Bureau is required by law to keep your information confidential.
3. The Census Bureau is not permitted to publicly release your responses in a way that could identify you.
4. Per the Federal Cybersecurity Enhancement Act of 2015, your data are protected from cybersecurity risks through screening of the systems that transmit your data.
5. By law, the Census Bureau can only use your responses for statistical research.
6. By law, the Census Bureau can only use your responses to produce statistics.
7. You are required by law to respond to the census (Title 13 U.S. Code Sections 141 and 193).
8. We estimate that completing the survey will take 10 minutes on average.
9. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to U.S. Department of Commerce.
10. This collection has been approved by the Office of Management and Budget (OMB). The eight-digit OMB approval number that appears at the upper right of the form or login screen confirms this approval. If this number were not displayed we could not conduct this survey.
11. For more information about how the Census Bureau combines these data with your survey responses, please visit our website: <http://www.census.gov/about/what/admin-data.html>

12. By law, the Census Bureau cannot share your answers with Immigrations and Customs enforcement (ICE).
13. Your personal information will not be shared with Immigrations and Customs Enforcement (ICE).
14. By law, the information you provide in this survey cannot be used for immigration enforcement by agencies like ICE.
15. The Census Bureau is prohibited by law from sharing your data with the Internal Revenue Service (IRS) for tax enforcement purposes.
16. None of the questions in this survey will ask about immigration status.
17. None of the questions in this survey will ask about religion.
