A Message from the Director, U.S. Census Bureau

To: Facility Manager

To prepare for the 2020 Census, the Census Bureau is conducting the **2018 Census Test**. For the 2018 Census Test, we need to include people who live or stay in group quarters, such as college or university residence halls, nursing/skilled-nursing facilities, group homes, residential treatment centers, workers' group living quarters, and correctional facilities.

A Census Bureau worker contacted your facility to confirm a preferred enumeration method. Our records indicate that your facility chose the Electronic Response Data Transfer (eResponse) option. The eResponse period will be open for collection on **July 30, 2018**, and conclude on **August 24, 2018**.

Use your unique User ID to complete your eResponse using the following instructions:

- Use the website located on the back of this letter to access the eResponse homepage.
- Enter your User ID on the eResponse homepage.
- After entering your User ID, you will be asked to complete a few security questions. After you complete the security questions, eResponse will generate a PIN number. Please retain this PIN number. The PIN number is used to log into the eResponse system and report for the specific group quarters facility.
- After you complete these steps, download the Census Bureau template.
- Please retain and use the Census Bureau template to complete your eResponse.
- Once the Census Bureau eResponse template is completed, upload it to the Census Bureau secure website.
