Study of Mobile UI Design Framework for Survey Operations

I understand that the collection of my personal information for this research project, *Study of Mobile UI Design Framework for Survey Operations*, is authorized under 13 U.S.C. section 182. The OMB control number for this study is 0607-0725. This valid approval number legally certifies this information collection.

I have received the Privacy Act Statement, and have been informed of the type of personally identifiable information that may be collected. I understand that providing this information is voluntary; the information is to be collected for research purpose only; the information will remain confidential; and only those research staff who are directly involved in this project will have access to the information.

I have volunteered to participate in this U.S. Census Bureau research project, and I give permission for the collection of my personal information used for the purposes stated above.
