

Applicability and Use of The Community Guide among SAMHSA Grantees

Form Approved
OMB No. 0920-0974
Expiration Date: 10/31/2019

The Community Guide is a free resource to help choose evidence-based interventions that could be used to improve health and prevent disease in your community. The purpose of this survey is to gather baseline data to assess your level of awareness and use of The Community Guide. Please **do not forward** this email and **only complete this survey once**. The survey should take no longer than 15 minutes. Thank you in advance for your participation.

The public reporting burden of this collection of information is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to - CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333 ATTN: PRA (0920-0974).
