Invitation to Participate in IQCP Workbook Survey

*Message text:*

Dear Colleague,

In May 2015, the Centers for Disease Control and Prevention (CDC) in collaboration with the Centers for Medicare & Medicaid Services (CMS) released the IQCP-A Step-By-Step Guide, which is available both in print and electronically accessible at <https://wwwn.cdc.gov/clia/Documents/IQCP%20Layout.pdf>

The Division of Laboratory Systems (DLS) at the Centers for Disease Control and Prevention (CDC) is seeking to examine the utility of the IQCP workbook and its components in assisting laboratories with evaluating the quality of their current testing procedures and developing an IQCP that meets the CLIA requirements. You are receiving this email because you have either participated in one of the CMS-sponsored IQCP webinars or you have requested an IQCP- A Step-By-Step Guide from CDC directly.

Your feedback is important in helping CDC and CMS improve the quality of our training products and delivery. Please complete this brief survey about your experience using the IQCP Workbook, by going to <https://go.usa.gov/x5Tv9>

The survey questions are anticipated to take approximately 10 minutes to complete and your participation is entirely voluntary. Your responses will be anonymous and no unique identifying information will be sought or kept.

Thank you for your assistance in helping us evaluate the quality of our training products.

Sincerely,

Division of Laboratory Services
