

## Reminder Email for Local Users

Dear Local User,

This is a friendly reminder to complete the BioSense User Satisfaction Survey for Local Users if you have not done so yet. You can access the survey by using the Epi Info web-based link below (for more information on Epi Info, please visit <http://www.cdc.gov/epiinfo/index.html>). Please note that participation in this survey is voluntary.

The survey at the link below intended to be completed by a local user. **The survey will take approximately 10 minutes to complete.** You also have the option to finish the survey at a later time by clicking on the “Finish Later” button which will bring you to a dialog box with a survey link and passcode. You will have the options either to copy and save the survey link and passcode or to enter your email address and receive the survey link and passcode in an email. Your email address will not be saved in the system. To reopen your survey, copy and paste the survey link into the browser or click the link in the email sent to you. Enter the passcode and continue where you left off previously. This passcode is very important to access your prior saved answers. Please make sure to answer all questions you are able to.

**Please note that the survey will close on [Date TBD] at 11:59 pm ET.**
