

Thank you for taking this voluntary survey to help us understand how well the microbiology-oriented eLearning courses produced by the Division of Laboratory Systems, Centers for Disease Control and Prevention have been serving the needs of our learners. The feedback you provide will also inform updates to these courses and future course development.

The survey questions will take approximately 10 minutes to complete. Your responses will be anonymous and no unique identifying information will be sought or kept. The feedback we receive will be used by our programs in aggregate only.

INSTRUCTIONS

The courses are grouped into three sections for this survey: Biothreat Preparedness for Sentinel Laboratories, Basic Microbiology, and Methods of Antimicrobial Susceptibility Testing Educational Resource (M.A.S.T.E.R.) Survey formatting will direct you to the appropriate section(s). For example, if you indicate you did not complete any of the Biothreat Preparedness courses, you will skip directly to Basic Microbiology courses section. Please respond to each question by clicking on the button beside the option(s) that best reflect(s) your opinion. An asterick (*) at the beginning of a question indicates that a response is required. At the conclusion of the survey you will click DONE to exit the survey.

Please select "next" to begin the survey.

Public reporting burden of this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-0974).

Biothreat Preparedness for Sentinel Laboratories eLearning Courses

* 1. Did you complete one or more of the following Biothreat Preparedness Training for Sentinel Laboratories eLearning Courses?

Bacillus anthracis (Anthrax)

Brucella, spp.

Burkholderia, spp.

Francisella tularensis (Tularemia)

Yersinia pestis (Plague)

Yes

No - you will skip to the next section

Biothreat Preparedness for Sentinel Laboratories eLearning Courses

* 2. To what extent have you applied the information presented in the Biothreat Preparedness for Clinical Laboratories eLearning courses to your personal or facility's laboratory practices?

Please select the option that best describes how you used the course information.

If you did not complete the course, select "I did not complete this course."

	I recommended or initiated changes to my personal or my facility's laboratory practices	I reviewed my personal or my facility's laboratory's practices and confirmed they are up to date	I improved my awareness or understanding of this topic	This course did not improve my understanding or provide information relevant to my work	I did not complete this course
<i>Bacillus anthracis</i> (Anthrax)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
<i>Brucella, spp</i>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
<i>Burkholderia, spp</i>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
<i>Francisella tularensis</i> (Tularemia)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
<i>Yersinia pestis</i> (Plague)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

* 3. What was the primary reason you chose to complete one or more of the Biothreat Preparedness for Sentinel Laboratories eLearning courses?

- I was interested in the topic
- I was required to complete the course(s) as part of competency testing or annual training
- To obtain continuing education credit
- To assess whether or not my lab is up to date
- Other (please specify)

Basic Microbiology eLearning Courses

* 4. Did you complete any of the following Basic Microbiology eLearning courses?

Basic Microscopy

Routine Microscopy Procedures

Basic Culture Media

Biochemicals and Gram Positive Organisms

Biochemicals and Gram Negative Organisms

Antimicrobial Susceptibility Testing

Yes

No - you will skip to the next section

Basic Microbiology ELearning Courses

* 5. To what extent have you applied the information presented in the Basic Microbiology eLearning Courses to your personal or your facility's laboratory practices?

Please select the option that best describes how you used the course information.

If you did not complete the course, select "I did not complete this course."

	I recommended or initiated changes to my personal or my facility's laboratory practices	I reviewed my personal or my facility's laboratory practices and confirmed they are up to date	I improved my awareness or understanding of this topic	This course did not improve my understanding or provide information relevant to my work.	I did not complete this course
Basic Microscopy	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Routine Microscopy Procedures	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Basic Culture Media	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Biochemicals and Gram Positive Organisms	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Biochemicals and Gram Negative Organisms	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Antimicrobial Susceptibility Testing	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

* 6. What was the primary reason you chose to complete one or more of the Basic Microbiology eLearning courses?

- I was interested in the topic
- I was required to complete the course(s) as part of competency testing or annual training
- To obtain continuing education credit
- To assess whether or not my laboratory is up to date
- Other (please specify)

* 7. How did you complete these courses?

- I completed courses on my own
- I completed courses with guidance from a mentor or supervisor
- I completed some courses on my own, and some with guidance from a mentor or supervisor

* 8. How did you complete the optional laboratory exercises included with these courses?

- I completed laboratory exercises on my own
- I completed laboratory exercises with guidance from a mentor or supervisor
- I completed some laboratory exercises on my own and some with guidance from a mentor or supervisor
- I did not complete any of the laboratory exercises
- I did not realize there were any laboratory exercises

MASTER Antimicrobial Susceptibility Testing eLearning Courses

* 9. Did you complete any of the following Methods in Antimicrobial Susceptibility Testing Education Resource (M.A.S.T.E.R.) Courses?

Antimicrobial Susceptibility Testing Methods
Antimicrobial Susceptibility Testing and CLSI Standards

- Yes
- No - you will skip to the next section

M.A.S.T.E.R. Antimicrobial Susceptibility Testing eLearning Courses

* 10. To what extent have you applied the information presented in the M.A.S.T.E.R. Antimicrobial Susceptibility Testing eLearning Courses to your personal or your facility's laboratory practices?

Please select the answer that best describes how you used the information for each course.
If you did not complete the course, select "I did not complete this course ."

	I recommended or initiated changes to my personal or facility's laboratory practices	I reviewed my personal or my facility's laboratory practices and determined they are up to date	I became more aware or improved understanding of this topic	This course did not improve my understanding or provide information relevant to my work	I did not complete this course
Antimicrobial Susceptibility Testing Methods	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Antimicrobial Susceptibility Testing and CLSI Standards	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

* 11. What was the primary reason you chose to complete one or more of these M.A.S.T.E.R. courses?

- I was interested in the topic
- Completing the course(s) was required as part of competency testing or annual training
- To obtain continuing education credit
- To assess whether or not my laboratory is up to date
- Other (please specify)

Suggestions

12. Please share suggestions for future eLearning course topics:

Thank You

We appreciate your feedback - thank you for your time.

When you click "done" you will exit the survey.
