## 2018 Packaging and Shipping Division 6.2 Materials Elearning Course Learner Feedback Survey

Dear Colleague,

The Division of Laboratory Systems (DLS) at the Centers for Disease Control and Prevention (CDC) is seeking to examine the utility of its Packaging and Shipping Division 6.2 Materials eLearning Course. This online course provides training on infectious materials (Division 6.2 Materials) as specified in the Department of Transportation (DOT) regulations, and includes some general security training and guidance on facility specific training. The course is hosted on CDC TRAIN and may be accessed at the website [www.cdc.gov/labtraining](http://www.cdc.gov/labtraining). You are receiving this email because you have participated in the course.

Your feedback is important in helping CDC improve the quality of our training products and delivery. Please complete this brief survey about the usefulness of the Packaging and Shipping Division 6.2 Materials eLearning course by clicking the link below. The survey questions are anticipated to take approximately 5 minutes to complete and your participation is entirely voluntary. Your responses will be anonymous and no unique identifying information will be sought or kept.

Thank you for your assistance in helping us evaluate the quality of our training products.

Sincerely,

Division of Laboratory Systems  
Center for Surveillance, Epidemiology, and Laboratory Services  
Centers for Disease Control and Prevention (CDC)
