

CDC Public Health and Preparedness Recorded Webinars Learner Feedback Survey: Invitation and Reminders Screenshots

Invitation

Invitation to Participate in CDC Public Health and Preparedness Recorded Webinar Learner Feedback Survey

MESSAGE: 

EDIT MESSAGE 

CDC Public Health and Preparedness Recorded Webinar Learner Feedback Survey

Dear Colleague,

The Division of Laboratory Systems (DLS) at the Centers for Disease Control and Prevention (CDC) is seeking to examine the utility of its' public health and preparedness educational recorded (archived) webinars. These eight recorded webinars, hosted on CDC TRAIN, discuss a variety of topics relevant to laboratory professionals. You are receiving this email because you have participated in one or more of these recorded webinars.

Your feedback is important in helping CDC to improve the quality of our training products and delivery. Please click the **blue Begin Survey button** below to complete this brief survey about the usefulness of the public health and preparedness recorded webinars. The survey questions are anticipated to take approximately 5 minutes or less to complete and your participation is entirely voluntary. Your responses will be anonymous and no unique identifying information will be sought or kept.

The following recorded webinar titles are included in the survey:

- Brain-Eating Amoebas: Challenges in Diagnosis and Treatment*
- Diagnostic Features of Intestinal Nematodes*
- Human Brucellosis Associated with Brucella abortus RB51 Shedding in Milk*
- Interface of Biology and Chemistry: How Advanced Analytical Techniques Benefit the Diagnosis, Assessment, of Treatment Efficacy, and Prevention of Toxin-Mediated Diseases*
- Molecular Techniques in Mycology*
- Morphological Identification of the Commensal Protozoa of the Human Intestinal Tract*
- Overview of the Rapid Tox Screen and Laboratory Response Network for Chemical Threats (LRN-C)*
- Why, When and How to Create a 508 Compliant Document*

Thank you for your assistance in helping us evaluate the quality of our training products.

Sincerely,

Division of Laboratory Systems
Center for Surveillance, Epidemiology, and Laboratory Services
Centers for Disease Control and Prevention (CDC)
