## Introduction to Laboratory Informatics: Life of a Specimen and Life of a Result CDC eLearning Course Learner Feedback Survey

Dear Colleague,

The Division of Laboratory Systems (DLS) at the Centers for Disease Control and Prevention (CDC) is seeking to examine the utility of its **Introduction to Laboratory Informatics: Life of a Specimen** and **Introduction to Laboratory Informatics: Life of a Result** eLearning Courses, which are hosted on CDC TRAIN. You are receiving this email because you have participated in one or both of these courses.

Please complete this brief survey about the usefulness of the **Life of a Specimen** and **Life of a Result** eLearning courses by clicking the blue **Begin Survey** button below.

The survey questions are anticipated to take approximately 5 minutes to complete and your participation is entirely voluntary. Your feedback is important in helping CDC improve the quality of our training products and delivery. Your responses will be anonymous and no unique identifying information will be sought or kept.

Thank you for your assistance in helping us evaluate the quality of our training products.

Sincerely,

Division of Laboratory Systems  
Center for Surveillance, Epidemiology, and Laboratory Services  
Centers for Disease Control and Prevention (CDC)
