

HELP US PREVENT Tickborne Disease IN SCHOOL-AGED CHILDREN

TAKE A 10 MINUTE SURVEY

Dear Healthcare Professional Working in Schools,

This is a reminder. If you have already taken the survey, please ignore! If not, read below.

The New York State Department of Health and the CDC are inviting you to participate in a survey about tickborne disease and prevention practices in schools. Your responses will help us to better support you to prevent tickborne diseases in your students.

This voluntary survey will take about 10 minutes and is completely anonymous.

TO TAKE THIS SURVEY:
