

HELP US PREVENT Tickborne Disease IN SCHOOL-AGED CHILDREN

TAKE A 10 MINUTE SURVEY

Getty images

Dear Healthcare Professional Working in Schools,
The Maryland Department of Health and the CDC are inviting you to participate in a survey about tickborne disease and prevention practices in schools. Your responses will help us to better support you to prevent tickborne diseases in your students.

This **voluntary survey** will take about 10 minutes and is completely anonymous.

Enclosed you will find a survey to be completed and mailed back to the Maryland Department of Health in the self-addressed stamped envelope provided. Please return completed survey by [insert DATE]. If you have questions or would like to take the survey over the phone, please contact us using the phone number or email below.

ALTERNATIVELY, TO TAKE THIS SURVEY:

Type this address into your web browser:
