

Symposium on Global Cancer Research Outcome Study

Introduction/OMB

This brief survey is about your past participation in the Symposium on Global Cancer Research. Your responses to these questions will help the National Cancer Institute study the outcomes of the Symposium on Global Cancer Research and improve future workshops. This survey consists of 14 questions and can be completed in approximately twenty minutes. The survey does not need to be finished in a single sitting. Thank you in advance for your participation. Please do not hesitate to contact me (Brenda.Kostelecky@nih.gov; 240-276-5585) if you have any questions. We sincerely appreciate your time assisting with this effort.

OMB No.: 0925-XXXX

Expiration Date: xx/xx/20xx

Collection of this information is authorized by The Public Health Service Act, Section 411 (42 USC 285a). Rights of study participants are protected by The Privacy Act of 1974. Participation is voluntary, and there are no penalties for not participating or withdrawing from the study at any time. Refusal to participate will not affect your benefits in any way. The information collected in this study will be kept private to the extent provided by law. Names and other identifiers will not appear in any report of the study. Information provided will be combined for all study participants and reported as summaries. You are being contacted by email to complete this instrument so that we can improve future workshops.

Public reporting burden for this collection of information is estimated to average 20 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-XXXX). Do not return the completed form to this address.
