 September, 2012

Public reporting burden for this collection of information is estimated to average 35 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. **An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.** Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0610). This survey asks about your health. You have agreed to participate in this ongoing study of health in U.S. adolescents and young adults. The information you give will be used to improve the health of students like you.

Just like last year, this survey is confidential; what you say on this survey will not be revealed to anyone else. DO NOT write your name anywhere on this survey booklet. You will be identified by a special ID number. Your answers will be read by computer.

Answer the questions based on what you really do, think, and feel.

Make sure you read every question. You do not have to answer any question that makes you feel uncomfortable. When you are finished, place the completed survey in the envelope provided, seal it, and either return it to a NEXT Health Researcher **OR** mail it to the NEXT home office in the postage paid, addressed envelope provided.

INSTRUCTIONS FOR COMPLETING THE SURVEY

Here are some questions about bullying. We say someone is **BEING BULLIED** when someone else, or a group of people, say or do nasty and unpleasant things to him or her. It is also bullying when someone is teased repeatedly in a way he or she does not like or when he or she is deliberately left out of things. But it is **NOT BULLYING** when two people of about the same strength or power argue or fight. It is also not bullying when someone is teased in a friendly and playful way.
