Collaborative Partner Interview Proposed Questions

Public Burden Statement: An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this project is 0930-0xxx. Public reporting burden for this collection of information is estimated to average one hour per respondent, per year, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to SAMHSA Reports Clearance Officer, 5600 Fishers Lane, Room 15E57-B, Rockville, Maryland, 20857.

Collaborative Partner Interview Proposed Questions

The NITT-AWARE national evaluation team is interested getting more information about collaboration and partnership related to this State's AWARE team.

1. In this past year, to what extent would you say AWARE activities have led to enhanced collaboration and coordination across child and youth serving agencies?
 - a. What specific activities have contributed to enhancements in partnership, collaboration and coordination?
2. An important element in partnership and coordination among partners is shared decision-making. To what extent is information-sharing across child-serving agencies enhanced as a result of NITT-AWARE?
3. Please describe any successes you have had this year related to collaboration and coordination activities.
4. Please describe any challenges/barriers involved related to collaboration and coordination activities to state/local-level collaboration, partnership development and shared decision making? If the challenges have been overcome, please describe how your site managed the difficulties. If not, what support is needed to overcome the barriers?
5. What efforts were made and actions taken to include families and youth in the partnership process? How were the voices of families and youth integrated into AWARE related action, decisions, and goals?
6. What is the effect of this partnership on the outcomes?
