Justification for Override:

PART A: DANGER TO OTHERS

In order to establish the appropriate placement, ORR/DCS must assess the risk the UC poses to others.

Question 1. Delinquency/criminal record

Take into account a UC's prior arrests, charges, and adjudications. You should select ONLY the highest score applicable to the UC's delinquent/criminal record. For guidance on scoring specific offenses, see the Program Guidance. Note that dropped charges should be scored differently during Intakes and FAST reviews; see the Program Guidance for an explanation.

PART C. DANGER TO SELF
 In order to establish the appropriate placement, ORR/DCS may consider the UC's mental health and therapeutic needs.

INTAKES

To be completed by ORR/DCS Intakes: Take into account all available information about a child's mental health and therapeutic needs. For example, prior arrests, charges, and adjudication for sexual offenses and/or alcohol or drug-related offenses may indicate a therapeutic need.

6a. Are there signs of any serious mental health issue or other therapeutic needs?

Yes Consult with DCS Case Management, go to 6.b.

No Stop here

6b. I confirm that case management (or if after hours, with a DCS supervisor) was consulted.

Yes Go to 6.c.

No Explain why:

6c. Based on conversation with case management, is a placement with therapeutic services required?

Yes Explain:

No Explain why:

FAST

For FAST Cases: Indicate whether a therapeutic need has been identified. This determination may be based on any available information, including clinical assessments and the DFC Level of Care Placement Tool. Fac. FFS

6a. Has a therapeutic need been identified? Yes, go to 6b

THE PAPERWORK REDUCTION ACT OF 1995 (Pub. L. 104-13) Public reporting burden for this collection of information is estimated to average .50/ hour per response, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information.
