

Long-Term Post Impact Survey

Thank you for participating in the Collaborative Reform Initiative Technical Assistance Center (CRI-TAC). The purpose of this survey is to gather information about your knowledge, perceptions, and outlooks relating to the technical assistance (TA) received and to collect information that will better enable us to assess the delivery of technical assistance. Survey responses will be summarized in aggregate, statistical form and your personal identifying information cannot be linked to your survey responses. There are no known risks in participating in this survey. Your participation is completely voluntary: you may choose not to answer certain questions, or not to participate in the survey at all, without penalty. We appreciate your feedback!

BY TAKING PART IN THIS SURVEY YOU INDICATE YOUR CONSENT FOR YOUR ANSWERS TO BE USED IN FUTURE REPORT SUMMARIES.
