C. Certification Regarding Debarment, Suspension, and Other Responsibility Matters -- Primary Covered Transactions: Instructions for Certification

1. By signing and submitting this Application, the prospective primary participant (the Applicant) is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in the denial of participation in this covered transaction. The prospective Applicant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation

will be considered in connection with the CDFI Fund's determination whether to enter into this transaction (approval and funding of the Application). However, failure of the Applicant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. This certification is a material representation of fact upon which reliance is placed when the CDFI Fund determines to enter into this transaction. If it is later determined that the Applicant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the CDFI Fund may terminate this transaction for cause or default.
4. The Applicant shall provide immediate written notice to the CDFI Fund if at any time the Applicant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transactions," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal", and "voluntarily excluded," as used in this clause (certification), have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. 7. The Applicant further agrees by submitting this Application that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," to be provided by the CDFI Fund, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions (see 31 CFR part 19, Appendix B).
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the No procurement List.
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the CDFI Fund may terminate this transaction for cause or default.

Part III: Leveraging Strategy

Total Maximum Points for Part III: 25 Points

The CDFI Fund will evaluate the Applicant’s ability to leverage its CMF Award. The Applicant will generally score more favorably to the extent that: a higher percentage of leveraged funds come from private sources; it utilizes strategies for leveraging funds at the Applicant level (pre-investment stage and reinvestment), as opposed to solely at the Project level; and the Applicant demonstrates a track record of leveraging funds in a similar manner.

NOTE: For compliance monitoring purposes, the CDFI Fund will be evaluating the dollar amount of the CMF Award compared with the Eligible Project Costs (which include the CMF Award amount and the resulting Leverage Costs). For example, if an Applicant requests a CMF Award of \$5 million and commits to financing Eligible Project Costs totaling at least \$50 million, then it will meet the required 10 times leveraging multiplier. Applicants will **not** score more favorably for projecting leverage above the 10:1 required leverage multiplier.

14. Leveraging Chart: In the chart below, quantify the Applicant’s model for using a CMF Award to achieve leverage in its activities and indicate what portion of leverage will come from public sources and what portion will come from private sources.

CMF Award Request (\$) _____

Strategy	Related Public (\$)	3 rd -Party Public (\$)	Related Private (\$)	3 rd -Party Private (\$)	Total Amount	Multiplier
Pre-investment stage					Auto-calc	Auto-calc
Reinvestments					Auto-calc	Auto-calc
Applicant level sub-total	Auto-calc	Auto-calc	Auto-calc	Auto-calc	Auto-calc	Auto-calc
Project level (cost)					Auto-calc	Auto-calc
Total leveraging projection	Auto-calc	Auto-calc	Auto-calc	Auto-calc	Auto-calc	Auto-calc

NOTE: In the Leveraging Chart, indicate the total amount of capital that the Applicant anticipates it will be able to secure under each type of leveraging strategy, expressed in terms of total dollars.

The pre-investment stage includes all funds raised prior to investment in specific Projects, and does not include the CMF Award. It may include the Applicant’s existing capital if that capital is committed and is being pooled with a CMF Award prior to making any investments in Projects.

Reinvestments include Program Income in the form of repaid principal from loans and equity repayments that are redeployed after the original deployment of the CMF Award and invested in eligible activities that are completed within 5 years of the Notice of Award. The amount is not inclusive of any funds counted toward the Pre-Investment Stage or the Project level stage. If the

Applicant does not anticipate revolving or redeploying funds, the amount should be zero.

The Project level includes total expected Eligible Project Costs for all projected activities. This amount is what is used to calculate the total leveraging projection.

This questionnaire is necessary for the CDFI Fund to determine whether an Applicant with a 501(c)(4) designation from the IRS is eligible to receive an award from the Fund (see 2 U.S.C. 1601 et al). Please read all definitions before responding to the questions and continue to refer to such definitions in responding to this questionnaire. If the answer to any question is yes, please describe in detail on a separate sheet(s) of paper the facts and circumstances, including: subject matter; date(s); names and titles of all individuals and their employers and their organizations. The CDFI Fund reserves the right to seek follow-up responses from an Applicant. Failure to complete this questionnaire and, if applicable, respond timely to follow-up questions, will delay the Fund’s processing of the Application, and may result in the disqualification of the Application from further consideration. After submitting responses to this questionnaire, the Applicant is under a continuing obligation to: (1) supplement its responses upon a change in circumstances; and (2) revise or modify its responses within 10 business days of having actual or constructive knowledge that the responses previously submitted and certified are no longer complete, accurate, or true. You may contact the CDFI Fund’s Office of Legal Counsel at (202) 653-0300 if you have any questions about this form.
