[-] Disclaimer

The Electronic System for Travel Authorization performs checks against law enforcement databases. All travelers seeking admission to the United States under the Visa Waiver Program are required to obtain an electronic travel authorization using this system prior to being granted boarding.

If your electronic travel authorization application is approved, it establishes that you are eligible to travel, but does not establish that you are admissible to the United States under the Visa Waiver Program. Upon arrival to the United States, you will be inspected by a U.S. Customs and Border Protection Officer at a port of entry who may determine that you are inadmissible under the Visa Waiver Program or for any reason under United States law.

A determination that you are not eligible for electronic travel authorization does not preclude you from applying for a visa to travel to the United States.

All information provided by you, or on your behalf by a designated third party, must be true and correct. An electronic travel authorization may be revoked at any time and for any reason, such as new information influencing eligibility. You may be subject to administrative or criminal penalties if you knowingly and willfully make a materially false, fictitious, or fraudulent statement or representation in an electronic travel authorization application submitted by you or on your behalf.

WARNING: If upon application for admission to the United States at a port of entry you are admitted under the Visa Waiver Program (VWP) by a US Customs and Border Protection Officer, you may not accept unauthorized employment; or attend school; or represent the foreign information media during your visit under the program. You may not apply for: 1) a change of nonimmigrant status, 2) an extension of stay, or 3) adjustment of status to temporary or permanent resident, unless eligible under section 245(c)(4) of the Immigration and Nationality Act. Violation of these terms will subject you to REMOVAL.

Please indicate you have read and understand the information provided above:

- Yes, I have read and understand the information and agree to these terms.**
- No, I need additional clarification or I decline to provide acknowledgment.**

TRAVEL NOT AUTHORIZED

You are not authorized to travel to the United States under the Visa Waiver Program. You may be able to obtain a visa from the Department of State for your travel. Please visit the United States Department of State website at www.travel.state.gov for additional information about applying for a visa.

AUTHORIZATION APPROVED

Your travel authorization has been approved and you are authorized to travel to the United States under the Visa Waiver Program. This does not guarantee admission to the United States; a Customs and Border Protection (CBP) officer at a port of entry will have the final determination.

If necessary, you can update the following information on an approved authorization: address while in the United States and e-mail address. To access your travel authorization, you will be required to provide your application number, passport number, and date of birth. If you need to change any other information on the form, you must apply for a new travel authorization.

To begin planning your trip to the United States today, please visit DiscoverAmerica.com, the Official Travel and Tourism website of the United States.

U.S. Customs and Border Protection (CBP) has developed a new program called Automated Passport Control (APC) that expedites the process for eligible Visa Waiver Program international travelers by providing an automated process through CBP's Primary Inspection area. To learn more about APC and participating airports following this link: <http://www.cbp.gov/travel/us-citizens/automated-passport-control-apc>

Have a nice trip. Welcome to the United States.
