Factor 4	Contact with VA		Determine if Veteran experience differs based on the level of contact and issue resolution during the process	Satisfaction with the enrollment experience may be higher or lower dependent upon Veterans' level of contact and issue resolution during the process. The level of contact will be determined in this section. These questions will help us differentiate Veteran satisfaction based on level of contact and issue resolution, identify areas where improvements to the process can occur and prioritize them based on the impact of the Contact factor to overall Veteran satisfaction.
46	Did you contact anyone from VA about your Specially Adapted Housing benefit (excluding contact related to an initial appointment with an SAH agent)? (Mark only one) (Mark only one)	Contact/ Resolution Assessment	Assess whether or not contact occurred	This question allows us to assess whether or not someone has had a contact with VA about their benefit recently enough to evaluate their experience with the contact. Individuals who have had recent contact with VA about their benefit may exhibit different levels of satisfaction than those who have not had recent contact. This question allows us to assess the variation between these two groups.
	a. Yes			
	b. No			
	(Ask Q47-Q53 if Q46 is yes, all others skip to Q54)			
47	How many times did you have contact with VA regarding your Specially Adapted Housing benefit in the past 6 months? (Open Capture)	Contact/ Resolution Assessment	Measure the degree of contact	Veterans who have had more contacts with VA about their benefit may have different levels of satisfaction with the process than those with fewer contacts. Additionally, Veterans with more contacts may indicate an unmet need among Veterans that may be identified by this question. This will allow VA to benchmark the degree of contact over time to understand if there is an issue that needs to be addressed in the process (e.g., training, outreach, etc.).
	a. Number of contacts _____			
	b. Don't know or not sure			

Question #	Question	Source	Uses	Justification
48	Which of the following best describes the reason for your most recent contact? (Mark only one)	Contact/ Resolution Assessment	Evaluate the reason for the call	The reason for calling may contribute to the satisfaction related to the call experience. It is important to understand how satisfaction varies based on the type of call. This information will be used in conjunction with the VBA Call Center Satisfaction Research to analyze methods of contact/resolution.
	a. Resolve a problem			
	b. Ask a question			
	c. Request a change to your records/provide information			
49	Can you briefly describe the nature of your most recent contact? (Mark all that apply)	Contact/ Resolution Assessment	Assess the nature of the call	Understand the specific reason for the call to help identify potential needs of various groups of Veterans and the ability of VA to respond to those needs. This information may assist in developing actionable recommendations for training, information communication, etc. This information will be used in conjunction with the VBA Call Center Satisfaction Research to analyze methods of contact/resolution.
	a. Report the death of an individual who received VA benefits			
	b. Submit a new grant application
