

YOUR RIGHTS TO REVIEW AND/OR WAIVER

REVIEW OF THE FACTS

If you do not believe that you have been overpaid, or if you believe that the amount of the overpayment is wrong, you may ask us to review the facts of your claim. Please indicate the reason why you would want a review of the facts and submit any evidence you may have to support your belief. Your request for a review of the facts must be received at an office of the RRB within 60 days from the date of the accompanying letter.

WAIVER OF RECOVERY

If you believe that you should not have to repay the benefit payments made in error, you may request us to waive recovery of the overpayment. However, we may consider waiving recovery of the overpayment only if:

- * You were not at fault in causing the overpayment, and
- * Recovery would prevent you from meeting your ordinary and necessary living expenses or recovery would be unfair for some other reason.

If you request us to consider waiving the repayment you will need to furnish us with information detailing your living expenses and your assets. This information must be submitted for a waiver to be considered. Your request for a waiver of recovery must be received within 60 days after the date of the accompanying letter.

REQUESTING YOUR RIGHTS

If you wish to request any of the above described rights, please complete the enclosed Form G-66ba, ***Rights Request Form***, and return it to the RRB within 60 days from the date of the accompanying letter.
