

Correspondence Match Educator Enrollment Form

Correspondence with a Peace Corps Volunteer can enhance your students' learning in almost any subject area. Peace Corps Volunteers serve in every region of the world, working at the grass-roots level. Their stories, projects, and experiences can provide U.S. students with in-depth, firsthand perspectives of global cultures - views not usually accessible through textbooks, films, or other media.

To take part in this unique opportunity, please fill out the form below. Feel free to share this program with your colleagues.
