

## YSO Staff Survey

Public reporting of this collection of information is estimated to average 20 minutes/hours per response, including the time for reviewing instructions and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a current valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (XXXX-XXXX)

Thank you for agreeing to complete this survey. The purpose of this survey is to assess your job duties, knowledge, attitude, comfort level, and training related to referring youth at risk for teen pregnancy to health care services.

Your responses will be kept private and your completed assessment will be stored on a secure, password protected server. Your responses will be combined with those from others at your organization in order to tailor training and technical assistance. Your individual responses will not be shared. Your participation in this survey is voluntary and you can discontinue participation at any time.
