Youth Survey

This survey asks questions about your experience during today's visit. This survey is voluntary. That means you do not have to take it. You also can answer some questions and not others. If you decide not to take the survey, it will not have an effect on the services that you get at this clinic. Your answers to these questions will be private. That means no one will know your answers. To help us keep your answers private, please do not write your name on this survey. Clinic staff refers to all staff you saw today -front desk staff, doctors, counselors and nurses.
