GENERAL SURVEY MODULE A: LOCATION/EXPOSURE

Hello, my name is _____ [Name] _____. I am with
_____ [Agency] _____, and we are assisting the Virgin Islands
Department of Health.

We are contacting you because in _____ [Insert month/year] _____, it is
possible you may have been exposed to a chemical on St. John Island in the U.S.
Virgin Islands.

We were provided your contact information by _____ [insert source] _____.

The name of the chemical is methyl bromide, which is used in some pesticides.

We are investigating indoor spraying of this chemical at _____ [location] _____
on _____ [date] _____. From now, I will refer to that exposure as "the
incident".

We would like to speak with you about any potential exposures or health effects you
may have had to better understand how you may have been affected.

Do you have time to talk now, or would there be a better time?

[Proceed depending upon response.]

[Administer full consent form here.]

Public reporting burden of this collection of information is estimated to average 25 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road NE, MS E-11 Atlanta, Georgia 30333; ATTN: PRA (0923-0051)

I would like to begin by verifying the date and location of the potential exposure.

A1. Were you in _____[specific zone which will be considered exposure zone]_____ at any time between [Start Date/Time] and [End Date/Time]?

Yes

No → Say to the respondent: Thank you for your time. You did not have a potential exposure to the chemical.

Record the end time and do not ask any further questions. This person is not eligible for the survey.

A2. I would like to know how long you were in the area where you might have been exposed between [Start Date] at [Time] and [End Date/Time]. Record the following answers in the table provided. Fill out the table for one location before continuing on to the next location.

	Location 1:	Location 2:	Location 3:
