Observation Skills

Top 1% Top 10% Top 33% Top 50% Bottom 50% N/A

Please assess the scholar's potential for a career in biomedical research and share any observations and inferences that would be useful in predicting this scholar's potential to become a biomedical, behavioral, and social science health-related researcher. For example, your comments may include your assessment of some of the following attributes: scientific aptitude, creativity, curiosity, initiative, work habits, and peer relationships.

Do you have any reason to believe that the scholar may not satisfy the post-graduation service requirement?

The UGSP scholars are required to fulfill two service obligations for each year of scholarship support: (1) one obligation has been satisfied this summer; (2) the second obligation is upon graduation (unless a deferment is granted), when scholars incur 1 year of research training in intramural labs for each full year of scholarship support.

Yes No

If you feel this UGSP scholar will not satisfy the post-graduation service requirement, please explain.
