SUMMER INTERNSHIP PROGRAM

OMB No. 0925-0299

Expiration Date 08/31/2016

[Respondent Burden](#)

PROGRAM APPLICATION

Instructions: You must use this application to apply to the general Summer Internship Program (SIP) and/or one of the subprograms. Before you begin, you may want to review some [helpful hints](#) on using this electronic form and our [privacy statement](#).

Eligibility Criteria:

1. Candidates must be sixteen years of age by June 15, 2016.
2. Candidates must be U.S. citizens or permanent residents.
3. U.S. citizens are eligible to apply if they are enrolled at least half-time in high school or in an accredited college or university as an undergraduate, graduate, or professional student. Students who have been accepted into an accredited college or university program may also apply.
4. Permanent residents must be enrolled in or have been accepted into an accredited institution **in the U.S.** to be eligible.
5. Be aware that special eligibility criteria and deadlines may apply to applicants who choose one of the summer subprograms listed in Section 9 at the bottom of this form.

Application Tips:

This form allows you to save a partially completed application. To take advantage of this feature:

- Enter as much information into the form as you would like. Note that you must complete certain fields--Name, E-mail Address, Month/Day of Birth, and, Phone--in order to save a partial application.
- Press "Save Partial Application & Quit" to save the information you have entered thus far. You will have to return later to complete your application.
- When you first submit your partial application, you will receive an e-mail message containing instructions for accessing the online tool that allows you to review, modify, and complete your application.

Only **completed** applications are available for review by NIH investigators and administrators; partial applications are **not** accessible by NIH investigators. Once you complete your application, press "Preview Completed Application." You will be taken to a page displaying the information you have provided. **To submit your completed application, you must select the "Save" button on the Preview page.**

IMPORTANT NOTE: The deadline for receipt of completed applications is **March 1, 2016** (11:59 PM, Eastern Time). Applications that are incomplete after the March 1 deadline will not receive further consideration. If you apply to one or more SIP subprograms, special deadlines might apply. Please check the SIP Web page, <https://www.training.nih.gov/programs/sip>, or follow the links in Section 9 for information about the various subprograms.

1. Please read the "[Summer Internship Program page](#)" and "[SIP Frequently Asked Questions](#)" before beginning your online application.
2. Be sure that the e-mail addresses you provide for your references are accurate. Incorrect e-mail addresses will delay the receipt of your reference letters and could result in your application's not receiving full consideration.

NIH summer training occurs on several sites including the main campus in Bethesda, MD. To help our investigators, please indicate ALL locations where you would be willing to train this summer. ●

- Bethesda, MD and the surrounding area
- Frederick, MD (some NCI labs)
- Baltimore, MD (most NIA labs and all NIDA labs)
- Research Triangle Park (Raleigh/Durham), NC (NIEHS only)
- Hamilton, MT (limited positions in NIAID)
- Phoenix, AZ (limited positions in NIDDK)
- Detroit, MI (limited positions in NICHD)
- Framingham, MA (limited positions in NHLBI)

2. Academic Information

School: ●

School State: ● Please enter the state in which your school is located.

(Use DC for District of Columbia and NA if your school address is not in the U.S.)

Preferred Mailing Address: ● ?

Address Line 2:

City: ●

State: ●

(Use DC for District of Columbia and NA if your preferred address is not in the U.S.)

Zip Code:

Country/Region: ●

Preferred Phone Number: ● ?

Current Education Level: ● ?

Year at Current Level: ●

Current GPA: ● (Cumulative unweighted average)

School Grading Scale: ●

Note: If you select 'Other', please explain in Section 3, Coursework and Grades. Be sure to describe your school's grading scale and your current cumulative average relative to that scale.

Academic Major: or specify major

(Use NA if you are a high school student.)

3. Coursework and Grades

Include courses in which you are currently enrolled.

4. CV/Resume

Copy and paste a plain text version of your curriculum vitae or resume into this space. Some reformatting may be necessary. Include education, relevant research experience, scientific publications, honors and awards, etc.

5. References

Once you submit your completed application, an e-mail request for a letter of recommendation will automatically be sent to each of the following individuals:

Reference 1:

Name:

Prefix First MI Last

Address:

Phone:

E-mail: Format: user@server.com

Reference 2:

Name:

Prefix First MI Last

Address:

Phone:

E-mail: Format: user@server.com

6. Cover Letter

Describe your research interests, career goals, and reasons for applying for training at the NIH; be certain that your cover letter is specific for this particular program.

The NIH is committed to maintaining its stature as a premiere research institution by building an inclusive workforce, fostering an environment that respects the individual, and offering an opportunity for each person to develop his or her full potential in the pursuit and support of science. We welcome trainees of all genders, races, ethnicities, physical abilities, and socioeconomic backgrounds. If you have unique circumstances, or come from a [disadvantaged background](#), please include this information in your cover letter.

7. Research Interest Keywords:

Please provide a brief list of your research interests (limit 150 characters, including spaces). NIH investigators may search on this field to find applicants whose research interests match their own. You may wish to enter terms that describe particular diseases or conditions (e.g., Alzheimer's disease, macular degeneration, obesity); the techniques you are interested in applying (e.g., two-photon microscopy, patch clamping, rapid sequencing, bioinformatics); or general subject areas (such as epidemiology, public health, molecular neuroscience).

8. Preferred Institute/Center (IC)

If you already know the IC in which you wish to work (for example, if you are a returning student), please select the appropriate item from the drop-down list. Note: **If you want your application to be considered by investigators in more than one IC, please leave this section blank.**

9. SIP Subprogram Selection

This section is for applicants who are eligible for and interested in special summer subprograms at the NIH. Below is a list of the

currently available subprograms. If you are interested in applying to one of these subprograms, please read the program description, including eligibility criteria, program dates, and application deadlines, by selecting the appropriate link below. (All links open in a new window.) If you select a subprogram for which you are not eligible, it could have a negative effect on your chances of being selected for an internship.

Note that programs are [exclusive](#), [semi-exclusive](#) or [open](#). It is important that you understand the implications of a program's type for how and when program participants are selected.

Available Program(s):

- [AMGEN \(exclusive\) Details and Eligibility](#) 
- [BESIP \(exclusive\) Details and Eligibility](#) 
- [CCSEP \(exclusive\) Details and Eligibility](#) 
- [GSOAR \(exclusive\) Details and Eligibility](#) 
- [HiSTEP \(exclusive\) Details and Eligibility](#) 
- [HiSTEP 2.0 \(exclusive\) Details and Eligibility](#) 
- [SGI \(exclusive\) Details and Eligibility](#) 

Selected Subprogram(s):

How did you hear about this program? (Please select all that apply.)

- Ad in a scientific journal (Nature, Science); please specify:
- Ad in a student journal; please specify:
- Ad in a meeting program
- Exhibit at a meeting; please specify:
- Career development/opportunities workshop
- Flier
- Poster
- From a mentor or advisor
- From an alumnus/alumna of the program
- NIH representative visited school
- Web search
- Other; please specify:

Notice to all applicants:

It is your responsibility to ensure that all of the above information is correct. False or inaccurate information contained in this application or provided during an interview may be grounds for denying your candidacy or removing you from the program.
