**Privacy Act Statement
Collection and Use of Personal Information**

Section 504 of the Rehabilitation Act of 1973 allows us to collect this information. Furnishing us this information is voluntary. However, failing to provide all or part of the information may prevent us from providing you with the accommodation you are requesting.

We will use the information to process your request for reasonable accommodation. We may also share your information for the following purposes, called routine uses:

1. To contractors and Federal, State, or local agencies, as necessary, to assist Social Security Administration (SSA) in providing accommodations to members of the public seeking access to our programs and activities, in compliance with Section 504 of the Rehabilitation Act of 1973. We will disclose information under this routine use pursuant only to a written agreement between SSA and that contractor or agency; and
2. To Federal, State, or local agencies (or agents on their behalf) for providing accommodations to members of the public in compliance with Section 504 of the Rehabilitation Act of 1973, when that agency is administering cash or non-cash income maintenance or health maintenance programs (including programs under the Social Security Act).

In addition, we may share this information in accordance with the Privacy Act and other Federal laws. For example, where authorized, we may use and disclose this information in computer matching programs, in which our records are compared with other records to establish or verify a person's eligibility for Federal benefit programs and for repayment of incorrect or delinquent debts under these programs.

A list of additional routine uses is available in our Privacy Act System of Records Notice (SORN) 60-0378, entitled Requests for Accommodation from Members of the Public. Additional information and a full listing of all our SORNs are available on our website at www.socialsecurity.gov/foia.bluebook.
