**Privacy Act Statement
Collection and Use of Personal Information**

Section 205(a) of the Social Security Act, as amended, allows us to collect this information. Furnishing us this information is voluntary. However, failing to provide all or part of the information may prevent an accurate and timely decision on any claim filed.

We will use the information to make a determination of eligibility for benefits. We may also share your information for the following purposes, called routine uses:

1. To third party contacts where necessary to establish or verify information provided by representative payees or payee applicants; and
2. To specified business and other community members and Federal, State, and local agencies for verification of eligibility for benefits.

In addition, we may share this information in accordance with the Privacy Act and other Federal laws. For example, where authorized, we may use and disclose this information in computer matching programs, in which our records are compared with other records to establish or verify a person's eligibility for Federal benefit programs and for repayment of incorrect or delinquent debts under these programs.

A list of additional routine uses is available in our Privacy Act System of Records Notice (SORN) 60-0089, entitled Claims Folders Systems. Additional information and a full listing of all our SORNs are available on our website at www.socialsecurity.gov/foia/bluebook.
