The Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.) requires us to inform you that the Bureau of Ocean Energy Management (BOEM) collects this information to:

1. Provide a standard method for establishing eligibility for oil spill financial responsibility (OSFR) for offshore facilities;
2. Identify and maintain a record of those offshore facilities that have a potential oil spill liability;
3. Establish and maintain a continuous record, over the liability term specified in Title I of the Oil Pollution Act of 1990, of financial evidence and instruments established to pay claims for oil spill cleanup and damages resulting from operations conducted on offshore facilities and the transportation of oil from offshore platforms and wells;
4. Establish and maintain a continuous record of Responsible Parties, as defined in Title I of the Oil Pollution Act of 1990, and their agents or Authorized Representatives for oil spill financial responsibility for offshore facilities; and
5. Establish and maintain a continuous record, over the liability term specified in Title I of the Oil Pollution Act of 1990, of persons to contact and U.S. Agents for Service of Process for claims associated with oil spills from offshore facilities.

The BOEM will routinely use the information to:

1. Ensure compliance of offshore lessees and owners and operators of offshore facilities with Title I of the Oil Pollution Act of 1990;
2. Establish eligibility of applicants for OSFR; and
3. Establish a reference source of names, addresses, and telephone numbers of Responsible Parties for offshore facilities and their Authorized Representatives and Guarantors for claims associated with oil pollution from designated offshore facilities.

Responses are mandatory (33 U.S.C. 2716). No confidential or proprietary information is required to be submitted. The burden includes the time for reviewing instructions, gathering and maintaining data, and completing and reviewing the application. The average burden for this form and required information that could comprise a submission is 24 hours.
