

Justification 7/15/2015

Under the terms of Generic Clearance (OMB-1110-0057), the FBI Uniform Crime Reporting (UCR) Program has permission to conduct procedures such as follow-up developmental research in order to establish a definition and develop content for new collections. The following submission details the procedures to be used during follow-up developmental research for developing content on officer involved shootings that will be collected by the UCR Program. The goals of the follow-up research is to refine the proposed definition and content for the new officer involved shooting data collection.
