Consumer Expenditure Survey

PIN Instructions

A few days ago, you should have received a debit card as a token of our appreciation for your participation in the Consumer Expenditure Survey. The PIN is the last 4 digits of the 16-digit card number. You can use this card at an ATM or any retail point of sale that accepts VISA. We suggest that you use this card within 30 days of receipt and that you withdraw the entire amount at one time. You may use the card immediately.

If you have any difficulty cashing the debit card, please call 1-844-252-4163.

For security reasons, our field representatives do not carry incentive debit cards on their person.
