8 Student Aid Internet Gateway Application for State Grant Agencies

9 Introduction

10 The *Student Aid Internet Gateway (SAIG)* was established to allow authorized entities, including State Grant Agencies
11 (the Agency) to exchange data electronically with the *U.S. Department of Education (ED, Department)*. In order to
12 participate in the SAIG, each Agency must enroll for SAIG access. The SAIG Application for State Grant Agencies is
13 comprised of two parts, an SAIG Enrollment Application and the SAIG Participation Agreement for State Grant
14 Agencies.

- 15 1. **Part One – SAIG Enrollment Application for State Grant Agencies** (pages 8 – 15), which is comprised of
16 five sections: Section One – Information about the State Grant Agencies – Instructions, including a description
17 of whether the form is being used for an initial application, adding a new *Primary Destination Point*
18 *Administrator* (Primary DPA) or *Non-Primary Destination Point Administrator* (Non-Primary DPA), or
19 changing information about the Primary DPA or Non-Primary DPA; Section Two – Tell us about the services for
20 which the Primary DPA wants to enroll for the DPA in Section One – this is where the DPA identified in Section
21 One is enrolling in SAIG services; Section Three – Responsibilities of the Primary and Non-Primary Destination
22 Point Administrator; Section Four – Certification of the President/CEO or Designee; and Section Five – Federal
23 Student Aid User of Electronic Services Statement.
- 24 2. **Part Two – SAIG Participation Agreement for State Grant Agencies** (pages 16 – 22), is the legally binding
25 agreement between the Department and the Agency. The SAIG Participation Agreement establishes the
26 conditions under which the Department will provide the Agency with certain data received or generated by the
27 Department concerning applicants for the *Title IV, HEA student financial aid programs (Free Application for*
28 *Federal Student Aid [FAFSA®] Applicants)*. In addition, the SAIG Participation Agreement provides the
29 authority for the agreement, as well as authorized uses and disclosures of data, data security, and reporting of
30 unauthorized disclosures.

31 Information about the Enrollment Process to Participate in the U.S. Department of Education’s SAIG

32 The enrollment process will enable the Agency to select services to receive, and/or view, student financial aid data
33 either online or by batch processing using ED provided software – *EDconnect* (PC-based software) or *TDClient*
34 (client software for multiple environments).

35 Each Agency must designate one individual as its Primary Destination Point Administrator (Primary DPA). Each
36 Agency is also provided with a Primary Destination Point (an *SAIG mailbox*, which is identified by a *TG Number*).
37 The Primary DPA is the only person within the Agency who may enroll other agency staff as Non-Primary DPAs
38 with *Destination Points* assigned for specific SAIG services. Upon completing the enrollment process, the Primary
39 DPA can add or remove users, edit information about the Agency, or change the Agency’s enrollment in various
40 SAIG services.

41 To maintain access to *Federal Student Aid (FSA)* systems, the Primary DPA must validate the individuals enrolled
42 for a SAIG Mailbox and *Electronic Services* for the Agency on a schedule determined by ED. If validation is not
43 completed via the SAIG Enrollment Web site within the prescribed timeframe, all services assigned to the Agency
44 and the Agency’s individuals could be deactivated.

45 Notes about the SAIG Application –

46 The first usage of a term in this document is italicized and can be found in the glossary located in
47 Attachment A. The glossary will assist in understanding the many technical terms and acronyms commonly
48 used in the *Title IV, HEA student financial aid programs* and in connection with the SAIG system.

50 **Available Services for State Grant Agencies**

51 The services that a State Grant Agency can access over the SAIG are:

- 52 • Automatic ISIR processing: A State Grant Agency can receive processed *FAFSA* applicant data in the form of
53 an *Institutional Student Information Record (ISIR)* from the Department's *Central Processing System (CPS)*. An
54 Agency may receive data for *Residents* (Title IV applicants who indicate on their FAFSA, as their state of legal
55 residence, the state where the Agency is located) and/or *Non-Residents* (Title IV applicants who included on
56 their FAFSA a post-secondary institution that is in the state where the Agency is located but not the applicant's
57 state of legal residence). With this service, ISIRs are automatically transmitted to the State Grant Agency when
58 students submit FAFSA applications and corrections to ED. The ISIR contains information submitted by the
59 student, as well as CPS processing results. The DPA is automatically enrolled for *Financial Aid Administrator*
60 (*FAA*) *Access to CPS Online* and EDconnect as part of enrolling for ISIR processing. Only one person at the
61 Agency can be enrolled in the Automatic ISIR Processing.
- 62 • *National Student Loan Data Systems (NSLDS) Online: View Only:* The Agency may request that a DPA have
63 online access to NSLDS to view Title IV, HEA loan, grant, and enrollment history.

64

65 **Agency Personnel Involved in the SAIG Enrollment Application Process**

66 There are four categories of users at the Agency who may obtain data from the Department’s systems and who must
67 complete parts of the SAIG Application:

- 68 • **President/CEO or Designee:** The President/CEO is the individual responsible for identifying a Primary DPA for
69 the Agency, and who is legally authorized to execute the SAIG Participation Agreement in Part Two on behalf of
70 the Agency. This person is also responsible for signing the Enrollment Application in Section Four –
71 Certification of the President/CEO or Designee on behalf of the State Grant Agency and to authorize the
72 enrollment for the Primary DPA or Non-Primary DPA. The President/CEO may also assign a Designee in
73 Section Four to act as the Authorizing Official on behalf of the President/CEO for future enrollments; however,
74 only the President/CEO is authorized to sign the SAIG Participation Agreement in Part Two.

- 75 • **Primary DPA:** The Primary DPA is the individual at the Agency who is responsible for the administration of
76 the Agency’s SAIG participation which includes assigning access to the Agency’s mailboxes and services and
77 determining the Agency’s *Electronic Services Users*. The Primary DPA is the only individual within the Agency
78 who may enroll Agency staff as Non-Primary DPAs. The Primary DPA is required to complete and submit
79 Sections One through Three of the SAIG Enrollment Application to the Coralville, Iowa address provided.
80 When enrolling Non-Primary DPAs, a portion of Section Three of the Enrollment Application must be
81 completed by the Primary DPA indicating that the Primary DPA has reviewed the responsibilities of DPAs with
82 the Non-Primary DPA, including the responsibility to protect the privacy of the information obtained or provided
83 via SAIG. The Primary DPA is also responsible for obtaining the signature of the President/CEO or Designee in
84 Section Four for every enrollment of a Primary or Non-Primary DPA.

- 85 • **Non-Primary DPA:** When a Primary DPA enrolls a Non-Primary DPA in the SAIG, ED will assign the Non-
86 Primary DPA a SAIG Mailbox with a unique TG number. The Non-Primary DPA, in collaboration with the
87 Primary DPA, is required to complete and submit Sections One through Three of the Enrollment Application.

- 88 • **Electronic Services Users:** Electronic Services Users are enrolled for *FAA Access to CPS Online* or EDconnect
89 by the Primary DPA. These Electronic Services Users are associated with the Primary Destination Point and do
90 not require individually assigned mailboxes to access FAA Access or EDconnect. To protect the integrity and
91 security of the data being transmitted, all Electronic Services Users must complete and submit Section Five –
92 Federal Student Aid User of Electronic Services Statement to their Primary DPA. Section Five must also be
93 signed by and maintained by the Primary DPA at the Agency. Section Five User Statements must be available for
94 inspection by the Department.

110 **Section One (General Information) – must be completed by the Primary DPA for all DPAs**

111 Section One collects information about the type of enrollment, as well as information about the Agency and the DPA
112 you want to enroll or for whom you are changing or adding information.

113 Item 1. This SAIG Enrollment Application can be used for multiple purposes. As the Primary DPA, you may use
114 the application to enroll new participants in the SAIG and you can use the application to change or add
115 information about an existing DPA or Destination Point.

116 A. Check Box A for “Initial application” if the Agency is a first-time SAIG participant and the Agency does
117 not have a Destination Point. The President/CEO of the Agency will be designating the individual who will
118 serve as the Agency’s Primary DPA. This enrollment will establish this user as the Primary DPA of the
119 Primary Destination Point for the Agency. Note: If item 1A is selected, then enrollees must also complete
120 items 2 and 4.

121 B. Check Box B for “Adding a new user for an additional Destination Point” if the Agency is currently
122 enrolled in the SAIG and you want to add a Non-Primary DPA and an additional Destination Point.
123 Fill in the Primary TG Number for the Destination Point. Note: If item 1B is selected, then enrollees must
124 also complete items 2 and 4.

125 C. Check Box C for “Changing information for an existing Destination Point” if the Agency is currently
126 enrolled in the SAIG and you want to change or add any information about an existing user or Destination
127 Point. Fill in the TG Number for the Destination Point. Also, complete the information that has changed
128 for any items in Sections One and Two; and complete Sections Three and Four. Note: If item 1C is
129 selected, then enrollees must also complete items 2 and 4.

130 **If you are uncertain of which box to check, call CPS/SAIG Technical Support at 1-800-330-5947. To**
131 **reach a telecommunications device for the deaf (TDD/TTY), call 1-800-511-5806.**

132 Item 2. Provide the name of the Agency, as you would like it to appear on all SAIG correspondence.
133 (The limit is 40 characters, including letters and spaces.)

134 Item 3. This item is pre-filled with “*State Grant Agency.*”

135 Item 4. Check whether the information being provided is for the Primary DPA (only one Primary DPA per Agency)
136 or for a Non-Primary DPA (the Agency may have more than one Non-Primary DPA enroll for NSLDS
137 Online service). A separate application must be used for each Non-Primary DPA enrolling for NSLDS
138 Online service. All information must be provided for the DPA enrolling for the Agency identified in Item
139 2. **Note: Do not use a group e-mail address.**

140 **Section Two (Selection of Services) – must be completed by the Primary DPA when adding or**
141 **changing services**

142 Section Two allows you to add or change services for the Agency and the Primary DPA or Non-Primary DPA
143 identified in Section One.

- 144 Item 5. If the Agency would like the DPA identified in Item 4 to have access to receive ISIRs check the “Yes,”
145 box and answer the remaining questions for this section. If not check the “No” box and skip to Item 6.
- 146 A. Check either or both boxes for the appropriate Automatic ISIR Processing.
 - 147 B. Check either or both boxes for the *award years* this DPA should receive the applicant data. If the 2016-
148 2017 Award Year is selected then the Agency will only receive 2016-2017 ISIRs. If the 2017-2018 Award
149 Year is selected the Agency’s enrollment will be rolled over automatically to include subsequent award
150 years.
 - 151 C. Choose the preferred delivery option, Daily or By Request. Daily is the default ISIR delivery method. If
152 “By Request” is checked, the DPA must use FAA Access to CPS Online to request and receive ISIRs. The
153 ISIRs are then sent to the DPA’s SAIG Mailbox through the SAIG.

154 Item 6. If you would like NSLDS Online access to view Title IV, HEA loan, grant, and enrollment history, check
155 the “Yes” box, check the “NSLDS Online-View Only” box, specify the state that the Agency is located, and
156 select all applicable job functions.

157 **Section Three (Primary DPA & Non-Primary DPA Responsibilities) – must be completed by all**
158 **Primary and Non-Primary DPAs**

162 Destination Point Administrators” statement.

163 **Section Four – must be completed by the Agency President/CEO or Designee**

164 Section Four collects the required authorization from the Agency to process the enrollment information for the Primary
165 DPA or Non-Primary DPA identified in Section One.

166 If the President/CEO wishes to designate another person to be the responsible authorizing official (the Designee), then
167 Section Four, Box 1 must be completed. **This designation needs to be completed only once.**

168 For each Destination Point, the President/CEO or Designee must sign the Certification of the President/CEO or
169 Designee on behalf of the State Grant Agency in Section Four, Box 2.

1. Responsibilities of the Primary DPA and the Non-Primary DPA:

- Must ensure that SAIG computing resources are used only for official government business.
- Must ensure that the FAFSA[®] applicant is a resident of the state where the Agency is located or has included on the FAFSA a postsecondary institution that is located in the state where the Agency is located.
- Only the DPA listed in Section One, Item 4, page 8 is permitted to sign up and use the National Student Loan Data System (NSLDS) as indicated in Item 6, page 9.

- Must ensure that access is provided only to systems, networks, data, control information, and software for which the DPA is authorized.
- Must ensure that procedures for sanitizing stored information are followed (e.g., overwriting electronic media that contain sensitive information before reuse).

- The information provided to the Primary and Non-Primary DPA by the U.S. Department of Education is protected by the Privacy Act of 1974, as amended. Protecting this information, once it is entrusted to the Primary and Non-Primary DPA, becomes his or her responsibility. Therefore, the Primary and Non-Primary DPA must protect the privacy of all information that has been provided by the U.S. Department of Education. 742 Entity who require access to the FAFSA Filing Status Information to determine the completion status of a
743 student's Free Application for Federal Student Aid (FAFSA) and facilitate providing assistance to such
744 students in completing the FAFSA, including both paid and non-paid staff and authorized agents such as

751 out of funds designated for a particular award year.

752 *Central Processing System (CPS):* The CPS manages the application and eligibility determination portion of the
753 federal student aid process. It gathers information from applicants via the Free Application for Federal
754 Student Aid (FAFSA), applies computerized edits and calculations to determine the student's eligibility,
755 and communicates the results to the students, schools, state agencies, third-party servicers, and other
756 federal computer systems.

757 *Data Challenges and Appeals Solution (DCAS):* DCAS provides the online access for accepting, processing,
758 resolving, and archiving student and loan level data challenges and appeals.

759 *Destination Point:* An organization enrolled in the SAIG that uses an electronic mailbox to send and receive
760 financial aid data using the SAIG. Every Destination Point is administered by a Primary or Non-Primary
761 Destination Point Administrator (DPA) and has an electronic mailbox number that begins with the letters
762 "TG."

763 *Destination Point Administrator (DPA):* An individual representing an organization involved in the administration
764 of Title IV, HEA student financial aid programs (such as a postsecondary institution, a State Agency, or

775 the SAIG.

776 *Electronic Services:* Primary Destination Point Administrators (Primary DPAs) and their Secondary Destination
777 Point Administrators (Secondary DPAs) for their organization may enroll users for FAA Access to CPS
778 Online or EDconnect Entitlement Access. An FSA User ID and password are required to log in to both
779 systems.

Attachment A: Glossary (Continued)

- 780 *Electronic Services Users:* Electronic Services Users are enrolled for FAA Access to CPS Online or EDconnect by
