

[IF COMPARISON = MATCHED FROM LIST OF UNSELECTED SBV APPLICANTS]

Hello [First Name],

On behalf of the U.S. Department of Energy's (DOE) Small Business Voucher Pilot, please follow the link below to complete a web-based survey. Your experience with applying to the Small Business Voucher and your responses to the survey will contribute to the development and refinement of the Small Business Voucher Pilot.

The purpose of the data collection is to better understand the impact of the DOE program on small businesses as well as the DOE's efforts to increase the industry engagement and commercial impact of the National Laboratories. All reporting to DOE will use only summary-level data and will not identify individual respondents or organizations.

We anticipate the survey can be completed within 30 minutes.
